

2011 Adjuster Seminar Schedule

Registration for the 2011 NFIP Adjuster Certification Workshops is now open. Adjusters seeking to renew certification must attend an NFIP Adjuster Certification Workshop. Adjusters seeking to become certified or upgrading their certification must attend the certification workshop and also submit an Adjuster Certification Application, (FF81-110). This form can be found at www.fema.gov.

Below please find this year's workshop schedule with links to each sponsor's registration site. Please direct questions related to registration to the appropriate sponsor for your chosen workshop. Contact information for the sponsors can be found by following the registration links listed here.

To be notified of additional workshops that may be scheduled, please sign to up receive email Bulletins at www.govdelivery.com.

Seminars are from 8:30am-4:30pm. Sign-in begins at 8:00am.
